

DUDDRA REUNION

Last Friday the descendants of George Philip Duddra, who spell their names Dutterer, Dutter, Duderar, Dodrer, Dudrow, and Dotterer, held their annual reunion at Christ church, near Littlestown. More than 400 gathered from Frederick, Carroll, Adams and York counties for the occasion, with slightly over 100 cars in the grove. Those spelling their name Dutterer, from the Silver Run section, had the largest delegation of 126 present.

Greetings were given by representatives of each of the different branches. The pastor of Christ church, the Rev. H. H. Hartman, shared in the program of the day, as also did the Rev. Mr. Lindaman. Harvey Schwartz directed the music for the occasion.

The oldest descendant present was George K. Duttera, aged 88, a Civil War veteran from Taneytown. The youngest baby on the grounds was Richard Breighner, of the tenth generation. Both were presented with suitable gifts from the clan. A prize of \$10 in gold was offered by Mr. Dudrow, Hyattsville, Md., for the largest family delegation at the next reunion. A liberal offering was received to promote the work of the clan. It was decided to hold the next reunion, Wednesday, August 6th, 1930, at Mountain View park, near Frederick.

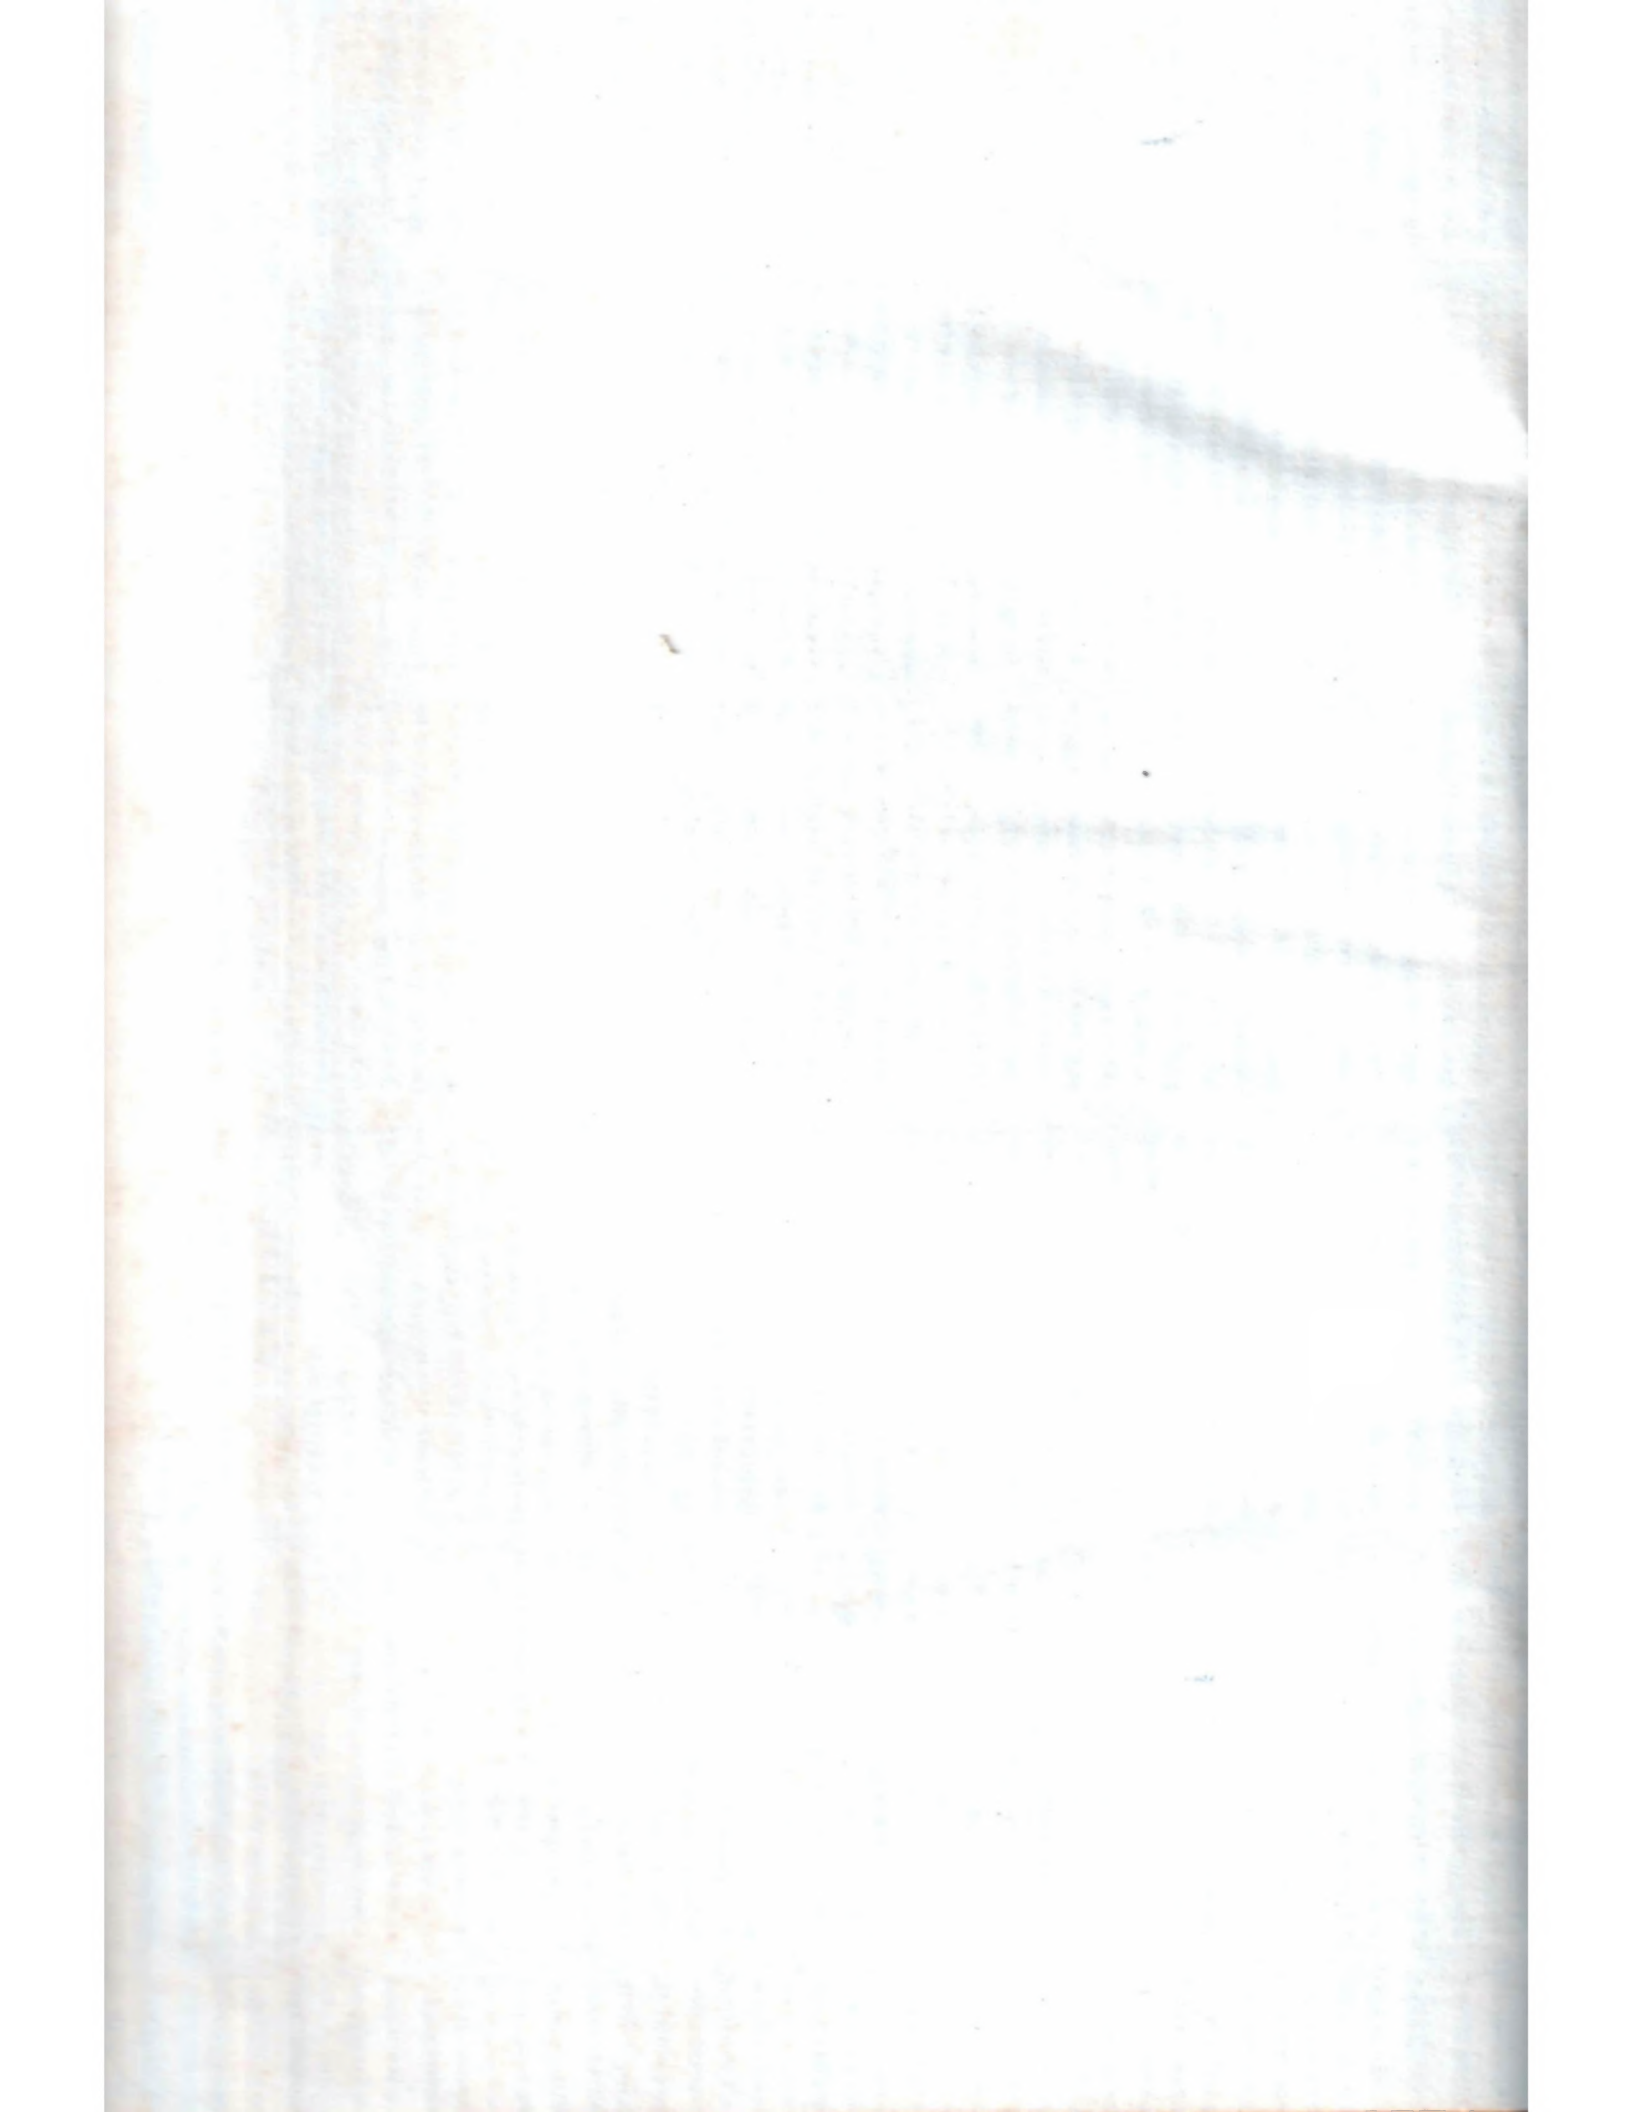

The following officers were chosen for the ensuing year: President, the Rev. W. B. Duttera, Bushore, Pa.; first vice president, George L. Dutterer, Silver Run; second vice president, Peter T. Dudderar, New Windsor; secretary, F. Duttera, Littlestown; treasurer, Edward Dodrer, Mayberry. historian, Miss Dorothy Dudrow, Hyattstown, Md.; registrar, Vernon Dotterer, Union Bridge.

Preface.

In making available the only family history of these descendants several matters were pertinent. In the beginning the question was whether to make it complete of all family branches in the United States since they were scattered all over the country? But after careful investigation it was soon seen that such an attempt would prevent anything being done because of time and expenses.

This was also largely due to the fact that the bulky material of some 17 volumes of papers gathered by our beloved ancestor Henry S. Dotterer, who gave his life and a fortune to the collection and issuing of one volume—to the third generation, all now at the Historical Society in Phila. was not accessible except there, and in its present form valueless to the descendants.

So it was felt that some limitation was necessary yet complete so far as it went. Accordingly the denser section of descendants was selected for the territory to be covered.

Now the gathering of this data by extended personal correspondence and otherwise was no small matter, and the deepest appreciation is due those who so faithfully rendered invaluable service for its accumulation.

Doubtless errors will be found—nothing else can be expected when spelling of names and dates are involved. But the greatest care has been exercised and those furnishing the information have read much of the proof. So every precaution has been taken to guard against such. But please report any found for correction in the filing copies.

Accordingly it is to be hoped that this effort to place those of the section covered in an assembled form may prove of the greatest interest for the present generation and furnish an adequate record for future reference.

But I believe another matter gives considerable concern to all involved from the many inquiries made—and that is the spelling of the name. But this should not disturb anyone, at least that their spelling may not be the correct way. For in accordance with the earliest documentary evidence (deed for land 1722) none spell the name as there found—D U D D R A. Nor do we consider it a vital matter. Careful and unending inquiry has been made as also hosts of documents examined where some basis might be found for the many variations but no answer comes from behind the silent veil. By a casual examination it will be found in the same branch, that brothers spell their names differently. It is not so much the variation in spelling that should awaken interest, but, rather making the glorious heritage which is ours; the exemplification of the best ideals and the noblest achievements for citizenship where our lot may be cast.

Abbreviations:—b—born, c—child or children, d—dead or died, bur—buried, m—married, s—son, dau—daughter, g. s.—grandson, g. g. s.—great grand son, n c—no children, Lit—Littlestown, Han—Hanover, West—Westminister, Balto.—Baltimore, S R—Silver Run, Taney—Taneytown.

Figures directly after names means generation.

CHAPTER I—GENERAL

For more than 200 years our ancestors have roamed over the confines of this country. The earliest known one was

GEORGE PHILIP DUDDRA or DODDERER

born in Europe, died in Frederick township Phila. county now Montgomery Nov. 6, 1741 at an advanced age, evidently having been born in the sixteen hundreds sometime. His wife Veronica ----- died at the same place Oct. 20, 1752.

From all information available he came from Europe, but when, where or time of his birth is still unknown. We know that from deed for land purchased Dec. 22, 1722 (Deed b-k 3 p 330) where the name is spelled DUDDRA, he must have been here some time prior to this date. Then too in another purchase of land Feb. 3, 1725 the name is spelled the same indicating his unmistakable presence about that time.

About the same time he and his sons Michael and Hieronimus (Jerome) petitioned the county court at Phila. for the opening of a road in which the same general name appears, tho spelled somewhat different as DODDERER. As to variations in spelling of name the

Page Two

records at the Historical Society of Penna. at 1300 Locust Street Phila. show the name is spelled some 37 different ways thruout the United States.

He was conspicuously identified with the Reformed church brought here from Germany. He signed the letter to the Reformed Church at New York asking for the ordination of John Boehm to the ministry as an officer of the Falkner Swamp Reformed Church. As elder of the Skippack congregation he signed papers authorizing Geo. Michael Weiss to proceed to Europe for the collection of money for the Reformed Church congregations in Penna.

To this pioneer ancestor the following children were born:

Michael Duddra b May 1698.

Hieronimus Duddra b about 1701.

Barbara Dodderer b about 1704.

Bernard Dudderer b about 1706.

Anna Elizabeth Dodderer b Dec. 25, 1709.

Conrad Dudderar b Sep. 1712. Unionville, Md.
Dudderar's connection

The first one MICHAEL was born in Europe, married in Penna. (Anna Maria Fischer) and he died Apr. 6, 1786 age 87 years 11 mos. and several days. She was born in the Palatinate of the Rhine dying January 21, 1781 and buried with her husband ----- in the Bertolets burying ground Fred. township Montg. County, Pa.

He purchased land adjoining his father Jan. 24, 1720 and May 4 same year purchased some more. He built his home on the first tract. He was also a member of the Reformed Church in his day and prominently identified. In Oct. 1783 he made a will while sojourning with his son Conrad who had settled in York county now Adams near Littlestown, Penna. This will was probated Sep. 29, 1786 in York county.

To him the following children were born:

Anna Sophia DUDDRA b March 1725.

Anna Verinoca DUDDRA b Sep. 5, 1727.

Geo. Philip b Aug. 30, 1729.

Conrad b May 10, 1731.

Maria Margaretha b June 27, 1733.

Michael b Oct. 31, 1735.

Jacob b July 4, 1737 ——— another son Jan. 22,
1739 died infancy.

John D. twins b Nov. 18, 1741 both died.

Anna Maria b Jan. 4, 1745.

It is concerning the son

CONRAD DUTTRA

to whom those spelling their name DUTTERA, DUTTERER or DODRER

are particularly interested—being direct descendants, since he migrated to near Christ church Littlestown—as already stated and settled according to York county records shown, when he bought 197 acres of land Oct. 15, 1765. In 1767 his brother-in-law Daniel Troxler husband of Sophia followed him there

Early in January 1808 he made a will which was probated Feb. 16, 1808 having died January 18, 1808 as shown by the inscription on stone in cemetery at the church heretofore mentioned.

He was one of the building committee of Christ church when it was rebuilt in 1798. He was born near Phila on his fathers plantation, married Juliana Reiff, died near Littlestown Nov. 6, 1805 aged 66 years 1 mo. 25 ds, and is buried beside her husband who passed away Jan. 18, 1808 slabs there showing this information.

The following were his children:

The second time he was married to Lydia Stonesifer who was born July 4, 1803 and died Mch. 13, 1889. He died Dec. 24, 1862 at age of 78 years 4 mos. and 8 ds. all being buried at Christ church.

Chap. III.—DUTTERER AND DODRER.

When we turn our attention to those spelling their names

DUTTERER and DODRER

it seems that we must go back to son JOHN of Conrad,—the original settler in the Christ church section—near Littlestown, Pa. John was born April 1763 prior to the fathers migration there—sometime before 1765. Then in later years he went over to settle in the Silver Run section, where a large and potent constituency have ever made their uplifting influence felt.

Chap. IV.—DUDDERAR

Now as to those spelling their names

DUDDERAR

the line of descent is evidently to be found with

CONRAD DUDDERAR

who was born May 26, 1738 Fred. township, Phila. Co. Pa. He told his grandson the late Judge Geo. W. Dudderar of Unionville Fred. Co. Maryland that he came there when 20 years of age (being about 1758), having married against his fathers wishes; that he borrowed 50 pounds from one of his fathers brothers to start on; that when he first went to Maryland he spelled his name Dutterer.

He settled near Unionville, was a tanner successful in business and became wealthy. He was a captain in the Revolutionary war and would not accept any pay for his services.

He was the son of Conrad born Sep. 1712 (see first part of this compilation) and grandson of the original settler Geo. Phillip Duddra who died 1741. In the private burying ground near Unionville stones are marked which speak of his birth May 1738 and death May 1831.

The following were his children John b Jan. 17, 1770 d July 1, 1819; Samuel b Sep. 9, 1771 went to Kentucky; Benjamin b July 8, 1777 d Dec. 29, 1854 m Rebecca Poulson, William, Conrad and David descendants live in Fred. Co. Md. (full particulars below). Also Elizabeth, Susanna and Sarah who married John Funston of Revolutionary fame, died June 7, 1845.

He made a will June 19, 1816 in which his son William is named executor and is printed in full in the first volume of the Dotterer history.

Chap. V.—DUTROW

When we give further consideration to the descendants of our ancient sire we note a group around Frederick, Md. who show a marked difference in spelling. These we find spelling their name

D-U-T-R-O-W

tho documents and various papers carry a blending of spelling in the life of the Dudderar's of the Unionville region in the same county. In fact the changes noted are with Jacob Dutrow son of Conrad Dudderar 1712 from whom most all of those spelling their names have thus descended.

In Jacobs will, printed in full in Henry S. Dotterer volume, made Nov. 7, 1804 the name is spelled D-u-d-d-e-r-a-r while he signed it Dutrow. It seems that Jacob born about 1733 and the Unionville Conrad of 1738 migrated from Fred. township near Phila. into the Maryland region about the same time—likely being brothers. In their fathers will dated Mar. 23, 1777 the name is spelled the same as the Unionville group.

There are notations from the original documents some of which are set forth in H. S. Dotterer volume referred to and can be seen at the Historical Society 1300 Locust St., Phila.

Chap. VI.—DOTTERER

On a casual observation we find other descendants in that territory who spell their names different from the ones thus far mentioned—D O T T E R E R.

Upon a further investigation we however find they seem to spring from the original settler in the Christ church section—in accordance with the records at the Hist. Soc. Phila. Conrad Duttra 1731 being his oldest son Conrad (John b July 10, 1756) who migrated to the Waynesboro region. There his descendants scattered southward towards Hagerstown across the mountain to the south in the region of Emmittsburg and Thurmont locally near what is today Detour, Md. He had some 4 children—Betsy b Dec. 24, 1779; Anna b Jan. 11, 1784 d Mar. 9, 1866; Jno. W. b Dec. 9, 1785 d May 11, 1850; Fred b July 20, 1788; John was married to Mary Hoffman who was born May 2, 1785 d Feb. 15, 1855 both of whom are bur at Haughs church near Ladiesburg, Md.
